WARNING: We do not encourage any users to disassemble this product.
It will be at your own risk if the product is damaged as a result

The Nighthawk Custom BDS9 is a high-performance firearm tailored for competitive shooters among the Nighthawk Customs lineup. The real counterpart BDS9 is a double stack 1911 with a heavy tri-cut angle top and lightening ports design.

The RWA Nighthawk Custom BDS9 is equipped with raised rear sight with an RMR-ready plate and a raised fiber optic front sight, allowing end users to install any optic they like as long as they have an RMR, RMSc, or K footprint. With front and rear serrations ensures user will have a sure purchase when racking the slide. BDS9's internal are of the tried and true Tokyo Marui specification, meaning you will enjoy the consistent performance and the ability to swap out said parts if or when deemed necessary.

SAFETY RULES

- When shooting the airsoft gun, you and all participants must wear goggles or other eye protective gear at all time
- Never aim at or shoot a person or animal as the target.
- Avoid pulling the trigger carelessly
- Never Look into the Muzzle of a Gun
- Never shoot the airsoft gun in places where people and vehicles are present behind the target
- Keep out of reach of children
- Keep hands away from escaping gas. It can cause frostbite if allowed to come in contact with skin
- Do not store your airsoft gun or gas in areas where the temperature can exceed 100F° (40C°)
- Never disassemble or modify the airsoft gun

WARNING

The product is suitable only for people 18 years or older. RWA is not responsible for any accident or malfunction caused by improper handling, modification, alteration, or disassembly. Please follow the instructions below during use;

1. When shooting the airsoft gun, you and all participants must wear goggles or other eye protective gear at all time
2. Never aim at, or shoot a person who is not a participant in an airsoft game, or an animal as the target
3. Avoid pulling the trigger carelessly
4. Never look into the gun muzzle without protective eyewear
5. Never shoot the gun when people or vehicles are present
6. Keep out of reach of children
