MADE IN HONG KONG

Introducing the RWA Agency Arms P320 Peacekeeper Slide Set, the ultimate upgrade for your SIG AIR Proforce P320 series gas blowback pistols. Engineered to elevate your shooting experience, this slide set combines precision craftsmanship with striking aesthetics to deliver unparalleled performance.

Designed by Agency Arms themselves, the Peacekeeper Slide Set boasts a robust construction, utilizing CNC aluminum and stainless steel for enhanced durability and reliability. Its sleek design is characterized by aggressive serrations and stylish lightning cuts, providing improved grip and maneuverability without compromising on aesthetics, speaking on aesthetics, although the RWA Agency Arms P320 Peacekeeper Slide Set can be installed on any SIG AIR Proforce P320 series gas blowback pistols, we here in the Redwolf offices think that the RWA Agency Arms P320 Peacekeeper slide set looks best paired with the SIG X Frame that comes with the SIG AIR Proforce P320 X Carry gas airsoft pistols.
